

Modular Deck Oven

Please note that the oven in the picture is equipped with digital panels, handles and shelf under the oven. This is optional for the deck oven.

Available in electrically heated models.

The unique technology in a Revent oven will take your baking quality to an even higher level.

Revent[™]
More than Quality.

Features

1. Oven top with thick mineral wool insulation.
2. Stainless steel outside lining.
3. Oven decks.
4. Top heat electric elements.
5. Bottom heat electric elements.
6. Oven chamber door with glass window. The doors pivot upwards and inwards meaning that an open door will not limit the working area in front of the oven.
7. Self contained steam generator (optional). Just connect the water!
8. Easy to operate instrumentation including baking timer, set temperature, temperature read out, control for top, bottom and front zone heating and steam control. Electronic optional.
9. Oven bottom with on/off switch.
10. Oven legs available in various heights.
11. Castors
12. Handle (optional)
13. Shelf (optional)
